Detroit, MI 48201**

COVID-19 AUDIENCE SAFETY MEASURES for Detroit School of Arts (DSA)

We are thrilled to welcome guests back to the Detroit School of Arts. The safety of our guests, artists, and staff, is our greatest priority. In response to the current COVID-19 infection numbers, we have updated our safety protocols as outlined below. As always, we will follow guidelines and recommendations as set forth by the CDC and the Michigan Department of Health and Human Services. We will continue to monitor and adjust these policies as appropriate.

Proof of Vaccination

At this time, all guests, performers, contractors, and staff 12 years of age and older, upon entry to the Detroit School of Arts, must provide the following documentation:

- Proof of full COVID-19 vaccination, with at least 14 days having passed between the final dose and DSA event. Or Negative results of a COVID-19 PCR test taken within 72 hours of the event start time.
- A government issued photo ID (i.e., driver's license or passport) that matches the proof of full vaccination/negative test documentation.

Patrons who are not vaccinated must provide a negative COVID-19 PCR test from a healthcare provider taken within 72 hours of the DSA event's start time. Self-administered at-home tests will not be accepted.

PATRONS UNABLE TO PROVIDE THIS DOCUMENTATION WILL NOT BE ADMITTED

MASKS

Masks must be worn inside the Detroit School of Arts (DSA), properly covering the nose and mouth. All patrons must wear a mask at all times – unless actively eating or drinking, regardless of vaccination status.
